

New for 2021
Golf Genius Registration, tied to the Golf Canada Score Centre!

The 2021 registration process is easier, less time consuming and accessible through Golf Canada's Score Centre.

When you log into your Golf Canada Score Centre profile, you will be able to access all of the Alberta Golf Championships and the McLennan Ross Alberta Junior Tour events.

Registration for all events opens April 1st, so please ensure the following is updated in your Score Centre profile:

- Date of birth
- Address
 - City, province and postal code
- Cell number
- Email address

The championship schedule and the McLennan Ross Alberta Junior Tour schedule are available on the Alberta Golf website, www.albertagolf.org, and on the Golf Canada website via the Score Centre.

Note: registration will NOT be available through the Golf Canada app, a web browser is required.

If you have any questions, please do not hesitate to contact John Deneer at john@albertagolf.org.
