Disciplinary sanctions that a Committee may impose include refusing to allow the player to enter one or more future competitions. Any serious misconduct resulting in a disqualification will result in a written letter to the player. In the event of a sanction, the player will be required to submit a written account of the Code of Conduct violation to the Alberta Golf Competitions Committee within 30 days of the incident. ## Local Rules and Terms of the Competition

### For 2023 Alberta Golf Championships

*Play is governed by the 2023 Rules of Golf as approved by Golf Canada, and, where applicable, by the following Local Rules and Terms of the Competition, subject to changes, additions, or deletions for particular championships. See applicable championship or qualifying round Notice to Players for modifications or additions to these Local Rules and Terms of the Competition. Complete text of Local Rules may be found in the Official Guide to the Rules of Golf, effective January 2019.*

**Unless otherwise noted, the penalty for a breach of a Local Rule is the General Penalty.**

- 1. Out of Bounds and Course Boundaries** – Defined by the line between the course-side points at ground level of white stakes and fence posts, also includes a painted line on the ground. A ball is out of bounds when it is beyond any wall defining the boundary of the course. Model local rule A-3 is in effect.
- 2. Penalty Areas** – When a red penalty area is defined on only one side, it extends to infinity. When a red penalty area is connected to the out of bounds edge, the penalty area extends to and coincides with the out of bounds edge. Model Local Rule B-1 is in effect.
- 3. Abnormal Course Conditions**
  - a. Ground Under Repair includes areas defined by white lines; French drains filled with stones are ground under repair. Flower beds are ground under repair **no play zones**.
  - b. Relief from Seams of Cut Turf – If a player's ball lies in or touches a seam of cut turf or a seam interferes with the player's area of intended swing, the player may take relief under Rule 16.1b. Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule F-7.
  - c. Immovable Obstructions – White-lined areas and unmarked severely worn areas immediately adjacent to immovable Obstructions (artificially surfaced cart paths) are ground under repair and the artificially surfaced road or path, or other identified obstructions that tie into them are treated as a single abnormal course condition when taking relief under Rule 16.1.
- 4. Integral Objects** – The following are integral objects from which free relief is not allowed:
  - a. Wrappings, wires, cables, rods and other similar objects when closely attached to trees;
  - b. Permanent artificial walls and pilings when located in bunkers and penalty areas;
  - c. Bunker liners in their intended position. Interference by a liner with a player's stance is deemed not to be, of itself, interference under this Rule.
  - d. Landscaping fabric in its intended position is an integral object for stance and an immovable obstruction for the lie of the ball and swing interference.
- 5. Permanent Elevated Power Lines or Cables** – If it is known or virtually certain a ball strikes a permanent elevated power line or cable, the stroke does not count. Model Local Rule E-11 is in effect. The player must play a ball without penalty from where the previous stroke was made (Rule 14.6).
- 6. Temporary Immovable Obstructions** – Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule F-23. Temporary Immovable Obstructions include, but are not limited to, starting tents, scoring tents and live scoring / checkpoint station tents if in use.

## 10. Caddies – must register with tournament committee prior to play. A player must not have another player in the competition, as their caddie during a round. Model Local Rule H-1.2 is in effect.

## 11. Stopping and Resuming Play – Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule J-1.

An immediate suspension of play for a dangerous situation will be signaled by one prolonged air horn note. All other normal suspensions will be signaled by three consecutive air horn notes. In either case, resumption of play will be signaled by two short air horn notes. See Rule 5.7b.

## 12. Practice – Before and between rounds in Stroke Play, Rule 5.2b is modified in this way: A player must not practise on the competition course before or between rounds. Penalty for Breach of Local Rule: The player gets the **general penalty** for each hole during which there is a breach of this Local Rule. If the breach occurs between the play of two holes, it applies to the next hole. Model Local Rule G-6 is in effect.

## 14. Code of Conduct – Alberta Golf has adopted the Local Rule under Rule 1.2b setting standards of player conduct on the golf course during play at all amateur competitions. The full policy is available online at [www.albertagolf.org](http://www.albertagolf.org) and in the Tournament Office. The Committee may assess any or all of the following penalties outlined in the structure below, based on the severity and frequency of the violation: Warning, One penalty stroke, General Penalty, Disqualification. **Note:** Under [Rule 1.2a](#), a Committee may **disqualify** a player for serious misconduct for acting contrary to the spirit of the game.

## 15. Scorecards and Scoring – In a stroke play event. All players will be given a scorecard. Players will exchange scorecards with another player in their group. The player will be the marker and keep the scores of the other player. Following play, the player and scorer will confirm scores on each hole are correct. ## 16. When Competition is Final – The competition is deemed to have closed when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Committee.

## **Individual Pace of Play Policy**

*For 2023 Alberta Golf Championships*

*The Rules of Golf require that a player must not unreasonably delay play, either when playing a hole or between two holes (Rule 5.6a). Rule 5.6b(3) states, in part: To encourage and enforce prompt play the Committee should adopt a Local Rule setting a Pace of Play Policy. This policy may set a maximum time to complete a round, a hole or series of holes and a stroke, and it may set penalties for not following the policy. To ensure prompt play and prevent being penalized, players should review the following policy carefully.*

### **Maximum Allowable Time**

The maximum allowable time is the maximum time considered necessary by the Committee for a group to complete its round. This is expressed in a per-hole and aggregate time format and includes all time associated with playing the game, e.g., for rulings and walking times between holes. All players are required to play at no more than the maximum allowable time (Time Par) set out for the competition. The Time Par is printed on each players scorecard. The following procedure applies only if a group is “out of position”.

### **Definition of Out of Position**

- The first group to start will be considered “out of position” if, at any time during the round, the group’s cumulative time exceeds the time allowed for the number of holes played as detailed on the applicable competition’s Pace of Play Time Chart (Time Par).
- Any following group will be considered out of position if, at any time during the round, they:
  - exceed the time allowed for the number of holes played **OR**
  - complete play of a hole more than 13 minutes and 59 seconds after the preceding group completes play of that hole **OR**
  - arrive at the teeing area of a par 4 or par 5 hole that is open and free of play.

### **Procedure When Group is Out of Position**

1. Referees will monitor pace of play and decide whether a group that is “out of position” should be timed. An assessment of whether there are any recent mitigating circumstances, e.g. a lengthy ruling, lost ball, unplayable ball, etc. will be made.

If a decision is made to time the players, each player in the group will be subject to individual timing and a referee will advise each player that they are “out of position” and they are being timed.

In exceptional circumstances, an individual player, or two players within a group of three, may be timed instead of the entire group.

2. The maximum time allocated per stroke is 40 seconds. 10 extra seconds are allowed for the first player to play: a) a tee shot on a par 3 hole; b) an approach shot to the green; and c) a chip or putt.

The timing will start when a player has had sufficient time to reach the ball, it is his or her turn to play and he or she is able to play without interference or distraction. Time take to determine distance and select a club will count as time take for the next stroke.

On the putting green, timing will start when the player has had a reasonable amount of time to lift, clean and replace the ball, repair damage the interferes with the line of play and move loose impediments on the line of play. Time spent looking at the line of play from beyond the hole and/or behind the ball will count as part of the time take for the next stroke.

Timings will be taken from the moment it is decided by the referee that it is the player's turn to play and he or she is able to play without interference or distraction.

Time ceases when a group is back in position and players will be advised accordingly.

Until a player has been advised of a bad time, he or she cannot incur a further bad time.

#### **Procedure When Again Out of Position During Same Round**

If a group is "out of position" more than one during a round, the above procedure will apply on each occasion. Bad times and the application of penalties in the same round will be carried forward until the round is completed. A player will not be penalized if he or she has a second bad time before being advised of the earlier bad time.

#### **Pace of Play Penalties**

Modified Pace of Play Penalty Structure – Model Local Rule K-5. The following are the penalties for any player in a group being timed who exceeds the applicable time to play a stroke:

- Penalty for first breach: **Verbal warning** from referee.
- Penalty for second breach: **One-stroke penalty**.
- Penalty for third breach: **General Penalty** applied in addition to the penalty for the second breach.
- Penalty for fourth breach: **Disqualification**.

#### **Penalty Appeals**

Players are entitled to appeal penalties incurred during the stipulated round. Player must invoke their right to appeal before signing their scorecard in the scoring area. The Tournament Rules Chair is the Head Referee and he or she will review the penalties with the player and referee(s) involved, and if necessary, with the fellow players in the group. The final decision will be at the discretion of the Tournament Rules Committee.

## **Suspension of Play**

*For 2023 Alberta Golf Championships*

### **Immediate and Normal Suspensions of Play**

- If the Tournament Committee declares an immediate suspension of play, all players must stop play at once, mark their ball and must not take another stroke until the Tournament Committee resumes play.
- If the Tournament Committee suspends play for normal reasons (i.e., darkness or unplayable course), what happens next depends on whether a group is between holes or playing a hole.

### **Deciding When to Suspend Play**

#### **1. Lightning**

- Play will be suspended due to lightning based on the following guidelines:
  1. Lightning is visible or detected in the area.
  2. If a rules official cannot count at least 30 seconds between lightning strikes and the thunder.
  3. Lightning is deemed to be within 10km of the host club.

#### **2. Rain**

- Play will be suspended due to rain based on the following guidelines:
  1. If the area around a hole is covered in temporary water and it cannot be removed.
  2. If players must move their ball an unreasonable amount in order to find a dry area.
  3. If the host club expresses concern for the overall health of the course if play continues.

#### **4. Visibility**

- Play will be suspended due to visibility based on the following guidelines:
  1. If players cannot see the landing area.
  2. If players are unable to read the line of play on a putting green due to lack of visibility.

#### **5. Wind**

- Play will be suspended due to wind based on the following guidelines:
  1. If several balls have moved because of the wind. One or two moving balls usually is not enough to suspend play; however, an exception can be made if it occurs within the first handful of groups.
  2. If players cannot replace their ball to its original location without it moving due to wind.

### **Deciding When to Resume and Cancel Play**

- Tournament Officials will monitor weather conditions and provide updates every 30 minutes when play is suspended.
- Play must be suspended if one of the above guidelines is met.
- If the decision is made to resume play players will be given 30 minutes to return to their respective holes.
- Rounds can be cancelled only if less than half of the competing field have completed their round.
- If more than half of the competing field has finished their round, then play must resume at the earliest possible moment.

## **Withdrawal, DNS and DNF Policy**

*For 2023 Alberta Golf Championships*

- If a cart is shared by two or more players, the cart and everything in it are deemed to be the equipment of the player whose ball is involved except that, when the cart is being moved by one of the players sharing it, the cart and everything in it are deemed to be that player's equipment.
- When using motorized transportation, the player must not:
  - Permit anyone other than a player or caddie to drive the cart (other than moving it a very short distance to facilitate play);
  - Permit anyone other than a player or caddie to ride in the cart;
