As a young up-and-coming player, Bob Wylie tested his mettle on the PGA Tour in 1957 before returning to the amateur ranks where some of his greatest accomplishments were still ahead of him.

After being reinstated as an amateur in 1960, Bob won the first of his five Alberta Amateur Championships and his second Alberta Open.

The affable Wylie attacked senior golf with the same intensity he showed throughout his career, winning four consecutive Canadian Senior Golf Championships from 1985 to 1988.
